Reflections

You might think that you don't matter in this world, but because of you someone has a favourite mug to drink their tea out of each morning that you bought them. Someone hears a song on the radio and it reminds them of you. Someone has read a book you recommended to them and gotten lost in its pages. Someone's remembered a joke you told them and smiled to themselves on the bus. Never think you don't have an impact. Your fingerprints can't be wiped away from the little marks of kindness that you've left behind.

MyPositiveOutlooks.com

In the Bible, people encounter God under shady oak trees, on river banks, at tops of mountains, and along stretches of barren wilderness. God shows up in whirlwinds, starry skies, burning bushes and perfect strangers. When people want to know more about God, the Son of God tells them to pay attention to lilies of the field and birds of the air, to women kneading bread and workers lining up for their pay...people could learn much from paying attention to the world...
