Welcome

Reflections

Character is when you sit at the same table as Judas and you're still able to serve him with love even knowing that he will betray you.

It doesn't matter who Judas is, but who you are.

The problem isn't our lack of self-worth. It's that God called us beautiful and we looked to the world and asked for a second opinion.

Ullie-Kaye

God is in the here & now. It is we who are not. It is we who are trapped in the past, angry at what formed us, or fixated on a future that is free from pain or totally under our control. But God is in our present, waiting for us there.
